

2 COUNTIANS ARE SENTENCED TO WORKHOUSE

Gary E. Becker and Robert A. Imler, both 22, and both of Abington R. 1, were sentenced by the Adams County Court Saturday to from 11 to 23 months in the Allegheny County Workhouse on charges of burglary and larceny of the Hanover Country Club and Hanover Building Supply Co.

Robert Topper, 20, Hanover, who had pleaded guilty to participation in the burglaries and larcenies, was sentenced to six months in jail. Because he is currently serving a nine-month sentence in York County, the Adams County sentence will begin at the expiration of the York jail term.

Willie Armwood, Biglerville R. 2 negro, who had pleaded guilty to five counts of liquor violations and maintaining gambling devices and other counts of possessing and selling cigarettes without Pennsylvania State Tax stamps, was fined \$100 on each of the first four counts of the liquor-gambling charge; \$50 on the fifth count and \$50 on the cigarettes without tax stamps—for a total of \$500 in fines. He was also ordered to pay the costs.

CONFISCATE PROPERTY
The court directed that 15 cartons and 99 packs of cigarettes seized at Armwood's home be confiscated. 88 1/2 gallons of whiskey seized at the home was confiscated and ordered turned over to the Warner Hospital. \$31.25 found in a gambling device was ordered given to the county and the sheriff was directed to destroy the machine.

Two young men from New York who entered a home near here to secure clothes and then broke into the Five Star Restaurant were sentenced to three months each in the Adams County jail on the burglary and larceny charges and ordered to pay the costs and \$50 restitution to the Five Star Restaurant for damage to property there.

FACE OTHER SENTENCES
The two men, John Thomas Grier, Cheektowago, New York, and Richard Francis Ross, Brooklyn, N. Y., were told they were given a light sentence here because they will be returned to New York, after serving time here, to face charges of escaping from a New York penal institution, larceny of a car and a burglary charge.

The court apparently did not agree with Raymond Clair Chronister, of York, who said that since he had been in jail for the last four years he felt he had "served enough time." Brought here to face a charge of forging two checks, he was sentenced to nine months in jail, and ordered to pay the costs and make restitution of checks totaling \$64. Chronister told the court he had spent all his money to pay off bad check charges in order to get out of other jails. He said that as soon as he could get a job as a cook and baker he would pay off the local checks. The court in sentencing him said he could become eligible for parole upon paying the costs and making restitution of the checks in the local cases.

TELLS FANCY STORY
Fred Morris Ensor, 18, York Springs R. 2, was fined \$100 and costs for the larceny of hub caps off cars parked at the Lincoln Speedway. Ensor said two juveniles with him stole the hub caps. The court asked Ensor where he obtained beer. Ensor said he and the two juveniles were driving along a road, saw a man lying in a gutter behind his car, stopped.

Tidal Wave Kills 3,000 In East Pakistan; 80 Per Cent Homeless

DACCA, East Pakistan (AP)—Winds of more than 150 miles an hour and a tremendous tidal wave have killed more than 3,000 people along the coast of East Pakistan.

Approximately 80 per cent of the surviving population in the area was left homeless by destruction of 30,000 homes.

The storm struck last Monday, doing most of its damage to six small offshore islands in the Bay of Bengal. They, like most of the rest of East Pakistan, are extremely primitive.

MAY BE HIGHER
Communications with the outside world were cut. Not until Sunday, when government officials produced their report after an on-the-spot investigation, was the estimate of the dead made. It is feared that the correct figure may turn out to be higher.

Youth Fined For Disorderly Conduct

A 20-year-old Littlestown youth was arrested by Hanover police on charges of disorderly conduct, driving a car without an operator's license and leaving the scene of an accident without revealing his identity after his car struck a utility pole in Hanover Saturday at 2 a.m.

The youth, Frank Saltz Jr., was fined \$25 and \$9 costs on the disorderly conduct charge at a hearing Saturday morning before Justice of the Peace Dayne E. Garrett, Hanover. Informations were filed in the other two charges.

Police estimated damage to the Saltz' car at \$150 and to the utility pole at \$100.

WILL CONSULT ATTORNEY ON SETTLING CASE

At the request of the Adams County court Saturday noon Mrs. Helen L. Gipe, Shippensburg R. 1, agreed to consult an attorney before proceeding with a settlement of an action in trespass brought against Ronald Lynn Gaylor and the Hoffman Home for Children in connection with the death of her son, George Patrick Gipe, in a fatal accident August 1 in which three children were fatally injured.

Mrs. Gipe had agreed to settle the action for \$3,313.75, of which \$813.75 represented the funeral expenses for her son.

When Mrs. Gipe testified she had brought the suit as administratrix of her son's estate, and was willing to settle for the \$2,500 for the estate and the \$813 for herself, representing the funeral expenses, Judge W. C. Sheely asked if she had an attorney.

NOT LARGE AMOUNT
Mrs. Gipe said she had not, but was willing to settle anyway, stating that continuing the suit for a larger settlement would not bring her son back.

Judge Sheely agreed, but added that her son was 15, and that Mrs. Gipe personally would be entitled to a sum based on her son's probable earning until 21 and his estate would be eligible for a sum based on his anticipated life's earnings.

Declaring that \$3,313 "is not a high settlement by any means," Judge Sheely told Mrs. Gipe he would "feel happier in approving this if you had consulted with an attorney first."

Mrs. Gipe finally agreed to see an attorney on the matter, and was told that when she had done so the court would be ready to hear the matter again.

Heavy Traffic Over Weekend

Weekend traffic in Gettysburg, especially on Sunday, may have hit a new high for October, according to reports from various sections of this vicinity.

Traffic started wheeling in and through Gettysburg early Sunday morning on practically all the roads. North-south and south-north traffic appeared to be the heaviest during the morning. However, in the afternoon traffic poured into town on all roads.

Most of the afternoon cars were practically bumper-to-bumper. For more than an hour traffic on Lincoln Highway extended from the Buford Ave. Springs Ave., Chambersburg traffic light to beyond the Gettysburg Country Club. The same was true on the eastern end of the Lincoln Highway with cars extending from Lincoln Square to beyond Rock Creek. It was so, also, on other highways and even the cross streets in town were crowded with vehicles. Traffic moved smoothly and swiftly, however.

Even the old Lincoln Highway from McKnightstown to Newman's Hill had long strings of cars, most of them headed east.

One veteran observer remarked: "Some folks complain about our heavy traffic. Well, for me, I'd rather see cars bumper-to-bumper all day than grass showing in the streets."

The mother's Study Group of Mrs. J. B. Collins' Kindergarten, will meet tonight at 8:30 o'clock, in the kindergarten.

President Takes Off On 6,728 Mile Plane Trip To 6 States And Into Mexico

WASHINGTON (AP)—President Eisenhower took off by plane today on a 6,728-mile speaking tour that will take him into six states, including some major battleground areas of the presidential campaign.

The President and a small party left Andrews Air Force Base, near Washington, in a Boeing jet operated by the Military Air Transport Service.

The White House is calling the trip nonpolitical, but many backers of the Republican presidential ticket obviously hope the tour will reap dividends for its standard bearers Richard M. Nixon and Henry Cabot Lodge.

Eisenhower's trip also will take him into Mexico.

SPEAKS IN DETROIT
The main event on the President's Detroit calendar is a major address tonight at the 43rd National Automobile Show dinner.

In that address and the others he will make on this tour, Eisenhower, however, plans change, will make no direct plugs for the GOP ticket. But he is almost certain to talk of the record of his administration and his philosophy of Government, and Republican

\$1,000 Damages In Three-Car Crash

Damage totaled \$1,000 when three cars collided two-tenths of a mile east of here on the Lincoln Highway Sunday afternoon at 2:15 o'clock.

Thomas, 16, York R. 5, was unable to slow his car quickly enough and it struck the rear of the Cunningham auto forcing it into the rear of the Petry vehicle.

No one was reported injured. Damage was estimated at \$300 to Thomas' car, \$50 to Cunningham's and \$200 to Petry's auto.

Parachutist Is Rescued From Tangled Line

PARIS, Ont. (AP)—A young student parachute jumper dangling helplessly at the end of a thin line 3,200 feet above the ground was rescued by an instructor who slid down and opened his parachute for him.

George van Roosmalen, 21, of Woodstock, making his fourth jump with a local jumping club Sunday, became entangled in the line hanging from the plane from which he jumped. It wrapped his right arm tightly against his body and prevented him from pulling his ripcord.

The instructor, Alfred Coxall, 33, first started to cut the line. Then, realizing the man's arm was useless because the circulation had been cut off, he slid down.

The line snapped from the added weight just as he reached the other man, whose rip cord he managed to pull as they fell together. He waited a few seconds to get clear, then opened his own parachute. Both landed safely.

Mobutu, Tshombe Reach Political Truce In Congo

LEOPOLDVILLE, the Congo (AP)—Col. Joseph Mobutu, military boss of the Congo, and Katanga President Moise Tshombe have reached a political truce in the dispute between the central government and the rich secessionist province.

Mobutu flew to Elisabethville, Katanga capital, Sunday for five hours of talks with the rebellious Tshombe. Both men called the talks friendly but they failed to resolve basic differences.

Tshombe broke with the Leopoldville regime and proclaimed Katanga independent only 11 days after the Congo attained independence last June 3.

WILL RESPECT RULE

He told newsmen in Elisabethville: "We did not reach any decision on the future of the Congo. I mean I could hardly talk to Col. Mobutu about things like that. He is not a politician. But we will respect Col. Mobutu's military ad-

Miss Margaret M. McMillan, 84, who had been active in many public social services in Adams County, died Sunday morning at 8:30 o'clock at the Pape Convalescent Home, Gettysburg R. D., where she had been a patient for the last four months.

A daughter of the late Oscar D. and M. Annie (Holtzman) McMillan, she was born in Gettysburg in the McMillan House on Confederate Ave. where her family had resided during the Civil War.

Miss McMillan began her career of service to the community in 1897 when she was 21. She was a member of the Loyal Temperance Legion, a group of young people sponsored by the WCTU. Since she had had a course in elocution in Philadelphia, she was elected to give a course in physical culture to young women. She used dumbbells and Indian clubs and the local group developed into a drill team which gave an exhibition at the state convention. She also served as states corresponding secretary for the Temperance Legion for a number of years.

ATTENDED COLLEGE

She took a course in kindergarten teaching at Washington under the sponsorship of the Methodist Church and then spent seven years in Philadelphia at the Methodist Deaconess home teaching kindergarten in the morning, doing neighborhood visiting in the afternoon, her first case work experience, and teaching night classes.

Because of her father's illness she returned to Gettysburg and attended Gettysburg College. She left school because of the increasing illness of her father.

When the Army established a camp here in 1917 and two soldiers asked for a center to provide entertainment, she helped establish a recreation center at the local Methodist Church and served as a volunteer.

SERVED WITH RC

The Red Cross sent a field director here in 1918 when Camp Colt was established. By January, 1919, the work had decreased to the point that a full-time man was no longer needed and Miss McMillan was asked to take over the office afterwards with the promise that "the work will be finished by April." Shortly thereafter the "flu" epidemic struck and the Red Cross service reached a new high. Thus began Miss McMillan's career with the Red Cross which was to continue throughout most of her life.

She became interested in crippled children's work when Dr. C. G. Crist, present coroner and county medical director, was conducting a tuberculosis clinic in the courthouse in a room that is now the vault in the clerk of court's office. A child was suffering from tuberculosis of the hip. Dr. Crist knew Miss McMillan had known welfare workers in Philadelphia and he asked her to see if she could arrange for the child, Martha Gordon, to be given specialized care there. It took two years but the child was finally operated on at Presbyterian Hospital in Philadelphia.

EXPAND RC SERVICE

Since the county had no other agencies, the Adams County Red Cross was given permission to engage in any type of service needed and Miss McMillan became the pioneer in that effort.

Gettysburg had had two polio epidemics, in 1907 and 1916. Miss Martha McMillan, a niece of Miss McMillan, suffered from polio and when she visited here it made her aunt especially aware of the need of help for crippled children. She arranged through the Harrisburg chapter of the Red Cross for an orthopedist

The group left Friday evening for a weekend of primitive camping in connection with their pioneer badge. The camp site is located about three-quarters of a mile from the lodge. Saturday afternoon William Swisher and Jeff Culp, gave an advanced course on lashing. Saturday evening skits and a campfire were shared with Troop 70 at the lodge. The costumes for the skits were made from leaves and branches carrying out the primitive theme. Sunday morning the Scout own was conducted by Susan Markley. After the Sunday noon meal preparations were made for breaking camp. A large tent was furnished by the Gettysburg Fire Company in which all of the girls had sleeping quarters. Leaders participating were: Mrs. Arthur Phil Jr., Mrs. Walter Johnson, Mrs. John Caldwell, Mrs. Priscilla Markley and Mr. and Mrs. William Zhea.

"ALL IN ALL"

All in all the world we live in . . . is a most appealing place . . . though if we're to be successful . . . we must run a torrid race . . . all in all, people are kindly . . . straight and forward, good and true . . . there will always be bad apples . . . never judge all by a few . . . all in all love overshadows . . . hate, whatever be its form . . . love is God's divine umbrella . . . that gives shelter from life's storm . . . all in all more smiling faces . . . dot the roadways of this life . . . frowns are always instrumental . . . in causing the greatest strife . . . so it is we should remember . . . whether we be large or small . . . it's a good old world we live in . . . people like it, all in all.

Appalachian trail plaques were presented by Luther D. Snyder to those Scouts who have completed five weekend trail hikes, traveling the complete distance of 135 miles from the Susquehanna to the Potomac Rivers. Recipients were Larry Alfio, Ronald Benner, Thomas Gingrow, James Long and Ronald Ruggles. This plaque is a replica of the markers which appear on the trail.

The Court of Honor closing ceremonies were in charge of the senior patrol leader, Robert Hahn.

Charles Mummert was present to represent Explorer Post 34 and to present a check for \$25 to Scoutmaster Wolf as a contribution from the post toward Scout activities.

Charles E. Ritter, troop committee chairman and also Black Walnut District commissioner, spoke briefly, commenting on recognition and special tribute paid to Scouters Wolfe and Snyder during the TV Party Time by the Lions Club on Thursday night.

James Hahn, who with his brother, Robert, attended the National Jamboree in Colorado, spoke concerning their experiences. He explained the method of swapping at the Jamboree. There was a large number of swap items on display with copies of the Jamboree newspaper and other related items of interest. He told of the daily routine at the Jamboree and then gave highlights and statistics on food requirements, transportation and communication of the Jamboree which was Army engineered, cost \$2,500,000 and was attended by 36,172 Scouts from the United States, its possessions and 23 other countries.

PRODUCTION
TESTS URGED

Associate County Agent John D. Naugle has advised dairymen in Adams County that now is a good time to initiate some type of production testing program.

Naugle gave two reasons: First, by starting the program in the fall, dairymen will have complete lactation records for the majority of the herd since most of the cows are fall fresheners; and secondly, the DHIA station association year begins in October. This means that by beginning a testing program now, Naugle said, the farmer's records will coincide with the state association.

Naugle wrote that the men have a choice of two record keeping systems. First is the standard DHIA program in which a trained supervisor weighs each cow's milk monthly and analyzes it for the butterfat content. Then records are processed electronically at Penn State University and returned to the dairymen. The owner-sampler plan is the alternative. This program is about the same as the DHIA except that the dairymen take the monthly milk weights of the cow.

Naugle is available for supervisor on initiating a testing program best suited to fit each dairymen's needs.

SANTIAGO, Chile (AP) — The Chilean Communist party opened its 10th national conference here Sunday with praises for Fidel Castro's revolutionary government and sharp attacks against the United States, the Catholic Church and the Chilean government.

Some 3,000 persons including black-bereted youths listened to a long report urging a fight for the nationalization of the U.S.-owned copper mines and the expulsion from the country of "all imperialist firms."

Alarm Frightens
Passengers On Bus

The Gettysburg Lions Club got more than its money's worth in excitement when it conducted a bus trip to Baltimore Sunday to see the Colts-Rams professional football game. Thirty-five made the trip under the chairmanship of Kenneth Dengler and Maurice Stoops.

As the bus entered Baltimore the passengers heard what they thought was an alarm clock ringing in the bus and "kidded" about some member bringing a clock to wake him up.

The bus driver, however, knew there was no kidding. He drove the bus to a service station and evacuated the passengers quickly. The bell was an alarm of fire.

A Baltimore fire company with extinguishers from the bus and service station put out the blaze in a compartment near the motor. Another bus was called to take the group to the game and still another bus was secured from York Springs to bring the Lions members home.

DETROIT HANDS
MONTREAL ITS
FIRST DEFEAT

By THE ASSOCIATED PRESS

The big, burly Montreal Canadiens are human, after all, and the lowly Detroit Red Wings proved it.

The Wings dealt the defending Stanley Cup champions their first defeat of the National Hockey League season Sunday night, 6-4, and in the process left the Chicago Black Hawks the only undefeated team in the league.

The Black Hawks cut down the Boston Bruins, 5-2, but still are one point behind the Canadiens, who show a 4-1-2 record for 10 points. The Black Hawks have a 4-0-1 mark for 9 points.

OTHER GAMES

In the other game, the Toronto Maple Leafs clubbed the New York Rangers, 7-2. The defeat was the Rangers' fourth in a row and it was the Leafs' first victory of the season.

Detroit's triumph over the Canadiens was the first victory of the season for the Wings and they made life miserable for goalie Jacques Plante.

The Wings beat the world champions at their own game — rushing pell-mell down the ice and firing at the net from all angles. Gordie Howe, Alex Delvecchio, Warren Godfrey, Ken Lund, Murray Oliver, and Norm Ullmann scored for Detroit.

NEVER IN TROUBLE

After Phil Goyette tied it at 3-3 in the second period, the Wings pulled away and never were in trouble.

Tod Sloan's second period goal broke a 2-2 tie between the Hawks and Bruins and Chicago put it away on third period goals by Ken Wharram and Ab McDonald.

The Rangers now have had 15 goals scored against them in their last two games. Against Toronto, they sorely missed defenseman Lou Fontinato, who suffered a shoulder separation in Saturday's 8-4 defeat in Montreal.

Frank Mahovlich, Ron Stewart and Larry Regan scored two goals for the Leafs. Until last night Stewart and Regan had been scoreless. Camille Henry got both New York goals.

Miss McMillan

(Continued From Page 1)

from the Philadelphia Methodist Hospital to conduct a clinic here and several children underwent surgery.

HAD MEAGER SALARY

She made a survey which showed 105 children in the county with varying degrees of crippled conditions and the local Rotary Club on the strength of that report became interested. A clinic was set up in the newly established Warner Hospital and in due course the Adams County Crippled Children's Society came into existence to continue the work.

In 1921 she purchased her first car to transport children to the city for hospitalization. Her salary from the Red Cross was 25 cents an hour, later it was made \$25 a month for full-time service, then advanced to \$50 per month, then dropped back to \$25 a month during the depression period.

She served as executive secretary of the Mother's Assistance Board, in which she supervised and visited with 15 "widows of good moral character and worthy" who were aided by \$4,000 per year provided by the state and the county. This was the start of what is now the public assistance program in the county. At that time the widows were supposed to receive \$10 per month. When she found that there would be more money than needed, she received permission to raise the amount to \$15 per month.

FIRST PROBATION OFFICER

She was the first probation officer in Adams County, appointed by Judge Donald P. McPherson at a salary of \$50 per month. She served in that position until 1932.

She was appointed school attendance officer for Franklin, Highland and Mt. Pleasant Townships. The then superintendent of schools asked her to see not only that the children were in school, but also to determine why they were absent.

MENTAL CARE NEED

Discovering that the Church of the Brethren had a receiving home within driving distance she began work with defective children, taking them there. When physicians began to refer unwed mothers to her, she arranged for their care through the Salvation Army. From her other work she found there was a need for mental care and in 1926 she arranged with the state Department of Welfare to set up the mental health clinic here.

The mental health clinic to some extent was her favorite among charities, but the depression years forced her to abandon it because of her other work. During the depression she served as secretary of the State Emergency Relief Board and as Red Cross secretary. A year later she was given an assistant. During the depression she distributed tons of flour and later thousands of articles of clothing to poor people throughout the county as part of her duties.

As Red Cross secretary, she assisted veterans obtain their bonuses.

In March 1938 she reopened the mental health clinic in the county at the urging of the state and until she suffered a fractured hip in 1957, she operated the clinic regularly, the only one of its type in the state.

ACTIVE IN CHURCH

During World War II as a Red Cross secretary she was responsible for aid to hundreds of countians, either by loans to servicemen and their families, by contacts for parents to sons who forgot to write home, by arranging emergency leaves for men in service and assisting in many other ways.

Miss McMillan was an active member of the Adams County Historical Society and for many years was its secretary. She was a member of the Daughters of the American Revolution and helped organize the Daughters of American Colonists here.

She was active in the Methodist Church here and served as a member of its board.

and the man was so happy about being awakened he took them seven miles to a beer distributor and bought a case for them. Judge Sheely asked Ensor, "Your feelings won't be hurt if we don't believe your story, will they?"

Philip J. Millard, Littlestown, charged with having a loaded pistol in his car, was placed in the custody of the sheriff until tests are made.

JAILED AND FINED

Harry Albert Lear, Chambersburg St., was found guilty last month of a charge of driving while under the influence of intoxicants, was sentenced to 45 days in jail and fined \$100. Lear, who said his wife had left him, asked for time to arrange for the care of his two children before going to jail. Judge Dale Shughart, who was present especially to sentence Lear and another defendant whose cases had been heard before him, told Lear he had already had a month to make arrangements and that the probation officer would arrange for the care of the children.

Hubert L. "Pete" Wise, 315 W. High St., appearing for sentence on a charge of aggravated assault and battery, told the court he had cut George Morrison with a pen knife when Morrison knocked him down. He said he pleaded guilty because he had a weak case in that he had brought trouble on himself by asking Morrison to return a hunting coat he had "borrowed last December." After some discussion Wise decided to stand trial on the case and was directed to renew bail for the February term of court.

NABBED AT BAR

Samuel J. Clingan, 62 Breckenridge St., was scheduled to appear before Judge Shughart for sentence on a charge of driving while under the influence. He was unavailable and arrangements were made with his friends for him to appear at the jail by 1 o'clock Saturday afternoon or his bond would be forfeited. He failed to appear, Sheriff Dawson Miller said, and at 5 o'clock the sheriff took him into custody at a bar-room.

BALTIMORE (AP) — "I don't think there was any doubt which quarterback, Mayo or Spooner, was the All-America today," said Navy Coach Wayne Hardin.

Hardin spoke after undefeated Navy had crushed Air Force Academy 35-3 Saturday with the Middles quarterback, senior Hal Spooner of Williamsport, Pa., stealing the spotlight from Rich Mayo, the Air Force's highly touted thrower.

Spooner completed 16 of 21 passes for 178 yards and 21 touchdowns compared to only 10 of 25 passes for 141 yards by Mayo.

3 STATE TEAMS
ARE UNBEATEN
IN GRID PLAY

By THE ASSOCIATED PRESS

The 1960 football season has five full weeks to go and only three Pennsylvania college teams can boast of perfect records.

West Chester, Bloomsburg and Albright are undefeated and untied, while Slippery Rock has Saturday's 14-14 tie with Indiana as the only blotch on its record.

Five of the state's teams felt the sting of defeat for the first time this past weekend. Lehigh was upset by Tufts, 14-0; Susquehanna bowed 8-7 on a last minute touchdown by Upsala, Lebanon Valley fell before Muhlenberg, 37-12, Allegheny dropped a 34-8 decision to Western Reserve, and Lock Haven lost 13-7 to Bloomsburg.

IACONE SCORES

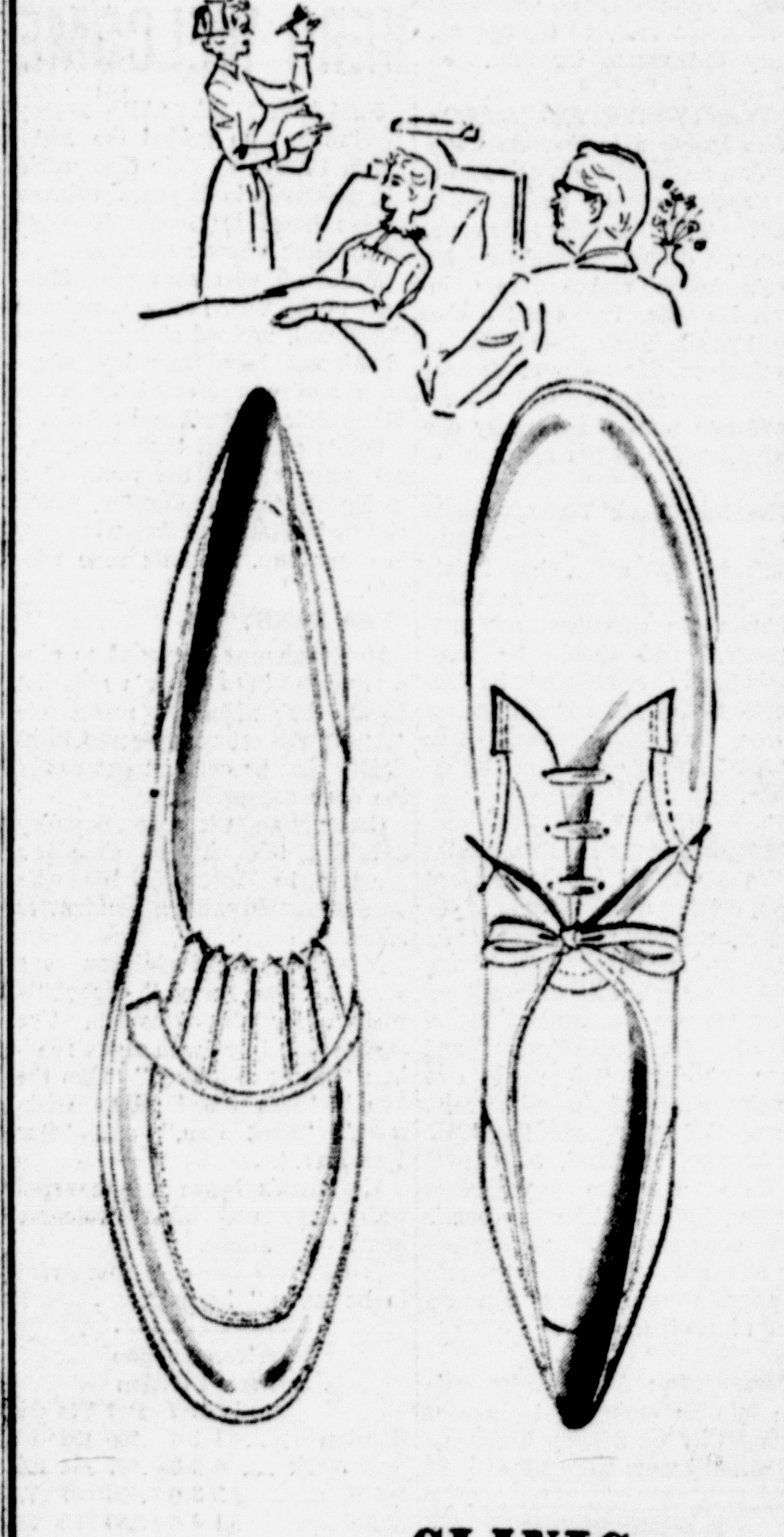

West Chester thumped Clarion 40-14, with sophomore Joe Iacono scoring three touchdowns. Iacono gained 197 yards in 24 carries for an 8.2 average. He now has gained 797 yards in 120 carries in five games. Bloomsburg scored a pair of first half TDs which held up for its third win of the season.

Lehigh's loss to Tufts was the shocker for Keystone State teams. The Engineers, trailing 7-0, gambled on a fourth down and inches play in the third period and lost. Tufts took over and in six plays went in for another score.

Among the state's major powers, Penn State threw a scare into powerful Syracuse before bowing 21-15. Penn walloped Brown 36-7 after spotting the winless Bruins their first TD of the season. Pitt laid on its biggest offensive in six years for a 42-0 romp over West Virginia, and winless Villanova lost its fifth of the season, 17-7 to Miami of Ohio.

Other exciting games included: Lafayette's 9-7 win over Temple on Walt Doleschal's last minute field goal—the second straight week Doleschal won a game with a three pointer; Swarthmore's collapse after leading Hamilton 25-0 which brought on a 36-32 defeat; Bucknell bowing 23-19 on a last minute TD by unbeaten Rutgers; Westminster's 7-6 win over Geneva on Gene Susi's conversion; Franklin and Marshall grabbing a fumbled pass in the closing minute and converting it into a TD and a 21-14 victory over Dickinson; W. I. losing 22-15 to Wayne on a last period score, and Kings bowing to Cortland by virtue of a conversion, 7-6.

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times
ONE HUNDRED YEARS AGO
Commissioned: Samuel Wolf, Esq., has been commissioned, by the Governor, as Sheriff of Adams county, and will take up his residence at the jail and enter upon his office tomorrow. That he will perform the important duties of the post with promptness and fidelity, all who know Mr. Wolf will readily concede. The same qualities characterized the Sheriff under the present incumbent, Isaac Lightner, Esq., for which he deserves praise.

Destructive Fire: On Wednesday night last, the new and tasteful barn of Dr. Pfeiffer, in Oxford, was entirely consumed by fire, with its contents, consisting of his crop of hay and wheat. We have not been able to learn the particulars, but understand there was no insurance on the barn, and that it is supposed to be the work of an incendiary. The loss is quite heavy.

Traps For The Young: The old Know Nothing councils were so many traps to inveigle the young. So are the Wide Awake clubs. The former admitted persons of 18 years of age—minors; so do the latter. The more made public of the new Know Nothing organization, the more closely do we find it to resemble the old, in all its aims and objects.

Bridge: The County Commissioners, on Monday last, awarded a contract for building the bridge across Little Conewago, at Bellone's mill, to George and Henry Chritzman, for \$787.

SEVENTY-FIVE YEARS AGO
Two Murders in Fayette County: Two murders were committed in Fayette county on Saturday night. Two brothers named Tasker, drunk, attacked Ira Tate's house and severely injured his wife. Tate fired a shot gun and instantly killed one of the Taskers. The house of Michael Barilla was also attacked. He resisted and was shot dead by one of the negroes in the mob.

The New York Times, Republican supports the Republican ticket in that state, but insists that Quay's nomination in Pennsylvania "is ridiculous and outrageous," and should be most emphatically repudiated by the people at the polls. From such a source, this advice should have weight with all classes of Republicans.

At Hodd's Mills: On the B. & O., on the 12th inst., Edward Zepp, driving a milk wagon to the station, was struck and instantly killed, and a colored man, driving another wagon, was seriously injured. It was a special train, carrying President Garrett and other officials, and ran five minutes ahead of the milk train. Young Zepp supposed the train would stop, as usual, and drove on the track as the special came dashing along. The coroner's jury censured the management for allowing such an unusual rate of speed when running as a section of another train.

Jersey City: A passenger train ran into an emigrant train near Jersey City on Sunday night and seven emigrants were killed.

Today's Talk

LEARN THROUGH SILENCE
Silence is a great teacher. In silence there is much thinking—which is wisdom in formation. The talkative person reveals himself. The silent person is the one to watch and follow.

The silence of the forest is the most comforting of all. There is no noise, but all Nature has something important to say in silence. That is where the sweet notes of the forest are spread openly from the throat of every bird that loves silence. There are certain birds that noiselessly hop from one branch to another and seem so happy in their world of silence. I love to watch them. I talk to them in their forest retreat.

Watch the listener. He may be busy on the blue prints of "A Brave New World." Imagine what that would mean, if successful! Learn through the silence of men's talk. They are the thinkers whom Rodin had in mind I feel sure when he formed "The Thinker." I am always inspired when I have the opportunity to see it and to admire its silence power.

In a political campaign, the most effective speaker is not the one who talks the loudest!

Tomorrow Mr. Adams will talk on the subject "Yourself" Protected, 1960, by The George Matthews Adams Service

Just Folks

THE MAN WHO WINS
The man who wins
Is the man who works
The man unwatched,
Who never shirks;
Not he who lazes
When left alone
And has no interest
But his own.

The man who wins
Is he today
Who honestly
Would earn his pay,
He seeks no snap
And, undismayed,
Does more than that
For which he's paid.

Ah, yes, the man
Who wins is he
Who does no duty
Grumblingly,
Be glad there's
Something he can do
Takes off his coat
And buckles to.

MURTAUGH HAS HERO WELCOME

PHILADELPHIA (AP)—Danny Murtaugh, who guided the Pittsburgh Pirates to their first world championship in 35 years, relaxed at his home in nearby Woodlyn today after a hero's welcome.

Murtaugh, who was named Manager of the Year in the Associated Press poll, arrived at International Airport here Saturday afternoon and was greeted by some 100 cheering friends and relatives.

Police estimated that about 30,000 persons lined the route of a motorcade through Chester, which claims Murtaugh as its native son, to cheer him. His wife rode with him.

"YEA DANNY"
Murtaugh was supposed to give a speech in Chester's Market Square but when the motorcade arrived, the crowd squeezed in so tightly that he couldn't get out of the open convertible.

Councilman Clarence Smedley extended the city of Chester's greeting to Murtaugh. His wife was presented with a bouquet of roses.

About 200 school children sang a song, "Yea Danny," especially written for the occasion. The square was filled with signs reading: "We Love Danny," "Dan the Man," "Dan the Smiling Irishman," "King Dan," and "Our Man Dan."

Murtaugh's house was covered with flags and other welcome home decorations.

"I feel real fine—it's just great to be home," he said.

BROWNS KEEP UNDEFEATED; BEAT DALLAS

By MIKE RATHET
Associated Press Sports Writer
Speedsters Lenny Moore and Bobby Mitchell, elusive packages of swinging hips and flashing feet, are dancing a touchdown jig in the pass-conscious National Football League while driving their teams toward divisional titles.

Moore, former Penn State star now in his fifth pro season, scored touchdowns on runs of 1, 34 and 37 yards and caught a Johnny Unitas aerial for a fourth score as the NFL champion Baltimore Colts blasted the Los Angeles Rams 31-17 Sunday.

Mitchell, onetime Illinois standout in his third NFL campaign, returned a kickoff, 96 yards for a touchdown, raced 30 yards for another and took a Milt Plum pass and ran 46 yards for a third score to place the Cleveland Browns to a 48-7 thumping of the Dallas Cowboys.

TIED FOR SERVING
Moore and Mitchell now are tied for the League's scoring lead with 42 points on seven touchdowns.

The Colt triumph, their third against one defeat, kept them in a tie for first place in the Western Division with the Chicago Bears, a half-game ahead of idle Green Bay. The Bears kept pace with a 27-10 victory over San Francisco.

The Browns' romp gave them a 3-0 record and edged them ahead of the defending New York Giants (3-0-1) in the Eastern Division. The Giants were tied by the Washington Redskins 24-24 on a touchdown pass by Ralph Guglielmi with 25 seconds left.

The Pittsburgh Steelers defeated the St. Louis Cardinals 27-14 and the Philadelphia Eagles whipped the Detroit Lions 28-10 in other games.

61-YARD TO RUN
Johnny Morris' 61-yard touchdown run gave the Bears a 13-3 lead in the second quarter. A 37-yard scoring jaunt by Morris and Ed Brown's 91-yard touchdown pass to Willie Deweall put it out of reach for Chicago.

Guglielmi, completing 13 of 16 passes while bringing the Redskins (1-1-1) a 17-3 halftime deficit, arched a 23-yarder to Jim Poley and Bob Knyaz kicked the extra point to tie it against the Giants.

STEELERS WIN
The Steelers (2-2) frustrated the Cards (1-3) with a pair of Bert Rechichar field goals. Tom Tracy's four-yard touchdown run and a 26-yard scoring pitch from Bobby Layne to Buddy Dial which built a 20-6 lead.

Clarence Peaks' one-yard touchdown smash gave the Eagles (3-1) an insurmountable 14-0 margin at the half. Jim Martin's field goal and Joe Schmidt's 17-yard scamper with an interception brought the Lions (0-3) close before Van Brocklin sealed it with a 38-yard scoring toss to Bob Walston.

FAVOR CHEAP GRID TICKETS

OAKLAND, Calif. (AP)—Two Oakland Raider twerms contend cheaper tickets are the solution to the fan shortage at American Football League games.

An estimated 11,500 showed up at San Francisco's Kezar Stadium Sunday to watch the Raiders beat Boston 27-14. In their other two games at Kezar, the Raiders drew 12,703 and 8,021.

"It's too late to do anything about it this season, but next year I think we'll quite definitely have to drop our prices," said Don Blessing.

He added, "It's obvious that people aren't ready to pay the same price (\$4.50) as for the 49ers (San Francisco 49ers of the National Football League)." Blessing said the club would think in terms of about \$3 for a reserved seat next year.

Ed McGah, another co-owner, said if the league would agree "I'd like to see the price cut in half to \$2.25."

IOWA PUSHING OLE MISS FOR TOP POSITION

By ED WILKS

Associated Press Sports Writer
The heat's on Mississippi, but Ole Miss is playing it cool in a shot at its first national championship in college football. Halfway through the campaign, the Rebels still are unbeaten, and haven't had any particular trouble in any of their five games.

That situation may change this weekend, however, when Mississippi plays Arkansas at Little Rock, where Ole Miss has lost two of three in the past eight years. But Mississippi certainly did nothing to hurt its No. 1 ranking in the Associated Press poll last Saturday night.

The Rebels rolled up 494 yards running and passing while beating Tulane 26-13. Quarterback Jake Gibbs again was the Rebel rouser, pitching three touchdown passes to end Johnny Brewer and running six yards for the other score.

OHIO STATE UPSET

While Mississippi was stretching its two-season winning streak to nine, second-ranked Iowa (4-0) defeated Wisconsin 28-21, third-ranked Ohio State was spilled 24-21 by Purdue and fourth-ranked Syracuse, the defending national champ, beat of stubborn Penn State 21-15 for a 15-game streak.

Navy and Missouri, continued to press the leaders. The Midgies, ranked No. 5, won their eighth in a row by whipping Air Force 35-3 in the first meeting of the two service academies. Missouri (5-0), ranked No. 6, beat Kansas State 45-0.

Seventh-ranked Baylor (4-0) beat Texas Tech 14-7 as Ronnie Bull hauled a screen pass 50 yards for one TD, then went one yard for the other.

KANSAS IN TIE

Clemson, rated eighth, was upset for the second year in a row by Maryland, 19-17. And ninth-ranked Kansas failed in its bid to overcome still-dangerous Oklahoma in the Big Eight, coming off with 13-13 tie in the Sooners' conference opener. Minnesota, rated No. 10, made a bid to move up by rocking Illinois 21-10. Only the Gophers and Iowa are unbeaten in the Big Ten.

Syracuse and Navy have another chance to pick up backers this weekend. Syracuse plays at West Virginia. Navy plays at Penn.

Among the contenders for the top 10, Washington (4-1) goes against Oregon State without All-America quarterback Bob Schroeder. The Huskies' ace suffered a broken collar bone in a 10-3 victory over UCLA that tightened Washington's grasp on the Big Five lead. Michigan State (2-1-1) goes against Indiana, after knocking Notre Dame 21-0. And Tennessee (3-0-1) meets Chattanooga, after beating back Alabama 20-7.

HOUSTON WINS OVER DALLAS; INTERCEPT FIVE

By JACK CLARY

Associated Press Sports Writer
Coach Lou Rymkus of the American Football League's Houston Oilers might possibly have come up with a secret weapon that can tell in advance when a team is going to pass.

At least it looked that way Sunday when Houston intercepted five Dallas aerials enroute to a 20-10 victory. Going into the game the Oilers had swiped only five enemy passes in four previous games.

The secret weapon story got roots from the tale of a Houston fan who walked into the team's office and announced: "I can sit in the stands and tell 90 per cent of the time when you are going to pass."

CUT DENVER LEAD

Though he didn't stick around to take up Rymkus' invitation to join the Oilers' defensive backfield, it might be hard to convince Dallas that there wasn't some other use Houston had found for him, especially since Dallas quarterback Cotton Davidson had lost only six of 163 passes in five games.

Los Angeles cut Denver's Western Division lead to a half game, beating the Broncos 23-19 as 41-year-old Ben Agajanian kicked field goals of 11, 26 and 47 yards. New York beat Buffalo 17-13 and Oakland beat Boston 27-14 in other games.

BOOTS 2 FIELD GOALS

Houston's George Blanda kicked two field goals and passed 9 yards to Bill Groman for a touchdown. He and Davidson came out pretty even on their heralded passing duel. Blanda getting 17 of 36 for 233 yards while Davidson had 16 of 34 for 230. Blanda had two interceptions. Groman snagged 10 for 140 yards.

Paul Lowe added scoring romps of 12 and 44 yards for Los Angeles to Agajanian's field goals that were enough to stave off a 45-yard field goal by Denver's Gene Mingo and a touchdown by Al Carmichael in the last period.

VICTORIOUS PLUNGE

Al Dorow's 1-foot plunge in the final 2½ minutes gave New York its victory. Wray Carlton ran 54 yards for one Buffalo TD and Johnny Green passed .33 to Eli Dubenion for the other.

Jack Larscheid's 87-yard touchdown run on the second play of the game sent Oakland winging as the Raiders ran up a 21-6 half-time lead. The Patriots got touchdowns from Al Miller and Butch Songin.

INDIANS' LEAD UPPED 3 POINTS
By THE ASSOCIATED PRESS
The Springfield Indians were handed their second defeat of the young season, but padded their lead a bit in the American Hockey League after weekend play that gave the rest of the standings a fast shuffle.

The Indians split two games with last place Providence, losing 6-4 after blowing a 3-2 lead over the Reds Sunday night. Rochester jumped past idle Quebec into second place by dividing two with Cleveland, beating the Barons 5-2 Sunday on a pair of second period goals by Billy Saunders, his first of the season.

Buffalo, which started the Saturday-Sunday play in a tie at the bottom with Providence, complete a sweep over Hershey by shipping the Bears 6-1. That lifted the Bisons into a third place tie with Quebec and Cleveland.

Unbeaten Albright Tops Bullets 20-8, Scoring Twice In Last Quarter

The shooting bullets of Coach Gene Haas' Battlefields had little effect in bringing down the Lions of Albright College Saturday night in Reading as the host club racked up a pair of touchdowns in the final period to take a 20-8 decision before 7,000 fans, largest in Albright history.

The win marked the first victory for the Lions over the Bullets since 1953 and at the same time unbeaten Albright registered its eighth win in a row since last year. Gettysburg is now 1-3 on the season.

Albright took an early lead, crossing the goal line at 5:50 of the first period. The Lions gained possession of the ball on their own 32 following a 48-yard boot by Lance Butler. It took Coach John Potiskian's squad 13 plays to cover the 68-yard drive. Mike Varano carried for 17 yards and was on the receiving end of a 16-yard aerial from quarterback Gary Chapman which accounted for the two large gains during the drive. Chapman climaxed the attack with an eight-yard run through center. Sophomore Jack DeLorenzo converted on a placement.

The rest of the first period and most of the second quarter was played in Gettysburg territory. The Bullets finally got a chance to move the ball, behind the excellent running of sophomore quarterback Jack Norwood, late in the first half.

NORWOOD SCORES
Gettysburg took over on its 16 following a Lion punt out of bounds. Gettysburg used up 12 plays to score its only TD of the evening. During the long 84-yard drive, Norwood swept left end for 22 yards, later raced 15 behind a Bill Sarvis block and Ralph Biggar carried 13 yards, placing the ball on the home team's two-yard line. Norwood bolted off the right side of the line for the score. The young quarterback then ran the two points with 35 seconds remaining in the half. At intermission the Bullets held an 8-7 lead.

The majority of the third quarter was a tossup with the ball exchanging hands several times. Both teams managed to penetrate the other side of the 50-yard line. As the frame came to a close, Gettysburg was in a fourth down and one to go situation on the opponent's 33. Norwood went back to pass and was thrown for a six-yard loss and fumbled with Chapman recovering on his own 39. A 16-yard pass from Chapman to Lynch and two running plays by Matto and Pitts and another Chapman aerial for 25 yards to Olivio put the ball on the Gettysburg 12-yard line at the end of period.

Chapman picked up one yard. The sophomore quarterback then cut loose with an 11-yard pass straight over the center to Olivio in the end zone. Chapman attempted a pass to Olivio for the two points, but it was broken up. Albright led 13-8 with 14:15 minutes remaining in the game.

BULLETS SAG

Gettysburg's defense then began to sag and finally fell apart as the Lions began another tremendous drive. Rich Helbig uncorked a 52-yard quick kick, pushing Albright back to its own 14. Two off sides penalties against the Bullets and short ground and air plays resulted in Albright's final TD. Chapman climaxed the 86-yard drive with a four-yard pass into the end zone to end Claude Lynch. Again DeLorenzo split the uprights.

Injuries to key personnel prior to the Albright encounter were quite evident as the inexperienced Sophomores and Juniors were unable to withstand a strong Lion passing attack not to mention the running of Mike Varano, Mike Matto, Tom Olivio and Al Pitts. Gettysburg will be out to break its two-game losing streak when it entertains the Mules of Muhlenberg on Memorial Field next Saturday afternoon before an expected large homecoming crowd.

Bullette Hockey Team Wins Pair

The Gettysburg girls' field hockey team turned in an outstanding performance over the weekend as they shutout a powerful Beaver team 3-0 on Friday and then defeated Ursinus 4-2 Saturday afternoon. Both games were played on foreign fields.

Carol Lunn, Carol Zimmerman and Carole Johnson tallied the three goals in the Beaver encounter. The Bullettes had a stiff battle at Ursinus, despite the score. The home team continually pressed Coach Grace Kenney's squad, but the Bullettes' experience, aggressiveness and spirit withstood any opposing attacks. Sandy Johnson and Carol Lunn each rammed through a goal while Carol Zimmerman tallied two. Ursinus' pair of goals were the only two scored against Gettysburg so far this season. The Gettysburg girls are now 4-0 on the year.

The Bullettes will entertain the Dickinson girls Wednesday in an afternoon contest.

BLUEJAYS TOP BULLETS 13-2

Elizabethtown College handed the Gettysburg College soccer team its second straight setback in as many outings as it trounced the Bullets 13-2 Saturday afternoon at Elizabethtown before a large homecoming crowd.

King Gore, outstanding left inner, tallied both Bullet goals within a minute in the second period. Elizabethtown rammed through five goals in the first stanza and coasted along with two in the second frame, three more in the third and three in the final quarter.

Truex and Johnson assisted both Gettysburg goals. Mike Yorck and Al Hershey set a blistering pace for the home team as they registered four and three goals respectively.

Gettysburg (0-2) will be out to hit the win column Tuesday when it meets Washington College, a powerful outfit from Chestertown, Md., on the latter's field.

BOLTS CRUSH RAMS 45-13 FOR 5TH WIN

The Squires of Delone Catholic High School suffered their first defeat of the season as they dropped a 21-7 decision to powerful DeMatha High School Saturday night before a large crowd in Hyattsville, Md.

Delone had rolled over four opponents and tied one before dropping Saturday's engagement. Prior to the Delone game DeMatha, one of the toughest teams in the Washington area, had squashed four opponents. The Maryland school had also given up but six points in the four outings.

Throughout the game, Delone was at a weight disadvantage in the line and had to contend with heavy, hard running backs, but Coach "Bucky" Kempton's squad turned in a commendable performance.

FUMBLE COSTLY
DeMatha jumped to a 7-0 lead with one minute remaining in the first stanza. The Marylanders gained possession of the ball on the Delone 37 when quarterback Don Hartlaub fumbled a punt and tackle Dick Meltcher recovered.

Bob White, DeMatha work horse, picked up 33 yards on three plays to place the ball on the Delone 4. The host club was penalized 15 yards, but on two more plays White moved the ball to the nine. Halfback Dick Jarboe then crashed off left tackle and streaked the distance to the goal line. Pete Alafoginis' conversion kick was good.

In the second quarter Delone, with ace quarterback Don Hartlaub leading the way, threatened. On nine plays the Squires moved the ball from the 50 to the DeMatha 11-yard line. DeMatha then buckled down and the Squires were stopped on the opponent's four.

Both teams recorded a score in the third frame. Delone took the kickoff and marched 62 yards to its only score of the game. Again Hartlaub set the pace, picking up 48 yards on eight plays and climaxed the drive with a one-yard plunge for the TD. His longest gain was a 25-yard skirt around right end to start the drive. Junior John Poist split the uprights to knot the count at 7-7.

DeMatha exhibited its power by taking the kickoff and marching down field for its second score. The home team put on a sustained drive of 68 yards. Bob White put an end to the matter by crashing over from two yards out after he had skirted right end for 20 yards. Again Alafoginis' placement was good.

INTERCEPTS PASS
The final DeMatha score came early in the fourth period. Dick Jarboe intercepted Hartlaub's pass to put the ball on the Delone 40. White rounded left end for 33 yards to the seven. Bob Robinson picked up two, White added four more and Robinson bolted through the center for the TD from the one. Alafoginis kicked the final conversion.

Hartlaub and Keffer were the offensive standouts for the Squires while the Delone forward wall turned in another fine job. Bennett, Poist, Murren, Gastley and Timmins, on a number of occasions, forced DeMatha to rush its plays and consequently they suffered several large ground losses.

On Friday, Delone will entertain Bishop McDevitt in a game that should draw one of the largest crowds to the McSherrystown field.

Richardson Nervous Over Big Welcome

SUMTER, S. C. (AP) — Bobby Richardson, a New York Yankee hero of the World Series, says "I'd much rather play baseball before 70,000 people" than face the several hundred hometown folks who welcomed him back Sunday.

"I don't think I'm hot, I'm just nervous," said the perspiring second baseman after the ceremony. A banner across the street in this city of 35,000 proclaimed, "Welcome Home Bobby 'Grand Slam' Richardson," in tribute to his bases-clearing homer.

Galen Hall, Penn State quarterback, lost a shoe on the next-to-last play of the Syracuse game and had to toss what could have been the winning pass while standing on a stockinged foot. BERMUDIAN 11 DOWNS PATTON TRADE SQUAD

Bermudian Springs scored in every period to romp to an easy 35-7 victory over Patton Trade at Elizabethtown Saturday afternoon. It was the second win in five starts for the Eagles.

In the opening period Tom Hardy, Eagle quarterback, fired a pass to end Charley Krall which was good for 25 yards and a touchdown. Barry Schrade plunged for the extra point.

Phil Guise broke away on a 25-yard run to tally for Bermudian in the second period and Hardy bucked over for the extra point. Two Bermudian TD's came in the second quarter. The first was on a 15-yard reverse on which Dan Miller hit pay dirt. Guise circled end for the extra point.

HARDY INTERCEPTS
The next score came when Hardy intercepted a Tradesman pass and galloped 40 yards. This time Schrade plowed through for the extra point.

Both teams scored in the final period. Guise chalked up his second six-pointed of the game on a 20-yard end sweep and Hardy added the extra point on another line thrust. Patton finally crashed into the scoring column late in the period on a 35-yard pass play from Walker to Gary Livingood. Carl Cunningham plunged for the extra point.

HOKE SIDELINED
Bermudian was forced to play without the services of Craig Hoke, star back, when it was learned this week he had suffered a fracture of the left arm in last week's game at South Western. It will keep him out of action for the remainder of the season. Last year he broke the same arm during a game.

The Eagles will be idle until November 5 when Carson Long will play at York Springs.

CASHTOWN IS 5-0 VICTOR; SERIES EVEN

Two-hit pitching by Ronnie Kump gave Cashtown a 5-0 victory over Arendtsville Sunday afternoon at Cashtown to even their series for the playoff championship of the South Penn Baseball League at one game each.

The third and deciding game will be played next Sunday at Arendtsville. Following Sunday's game, which was attended by a large crowd, a flip of the coin decided the site for the title game.

Cashtown jumped on Dick Pitzer, Arendtsville ace, for three runs in the first inning and finished off with single runs in the fifth and eighth.

The winners collected a total of nine hits. Only king and Cluck were able to connect safely off Kump, the hit by King going for a triple.

Let's Look At The Record

MOVE U.N. TO BERMUDA
Island Location Better Than New York
Charter Also Needs Other Amendments

By JIM DAN HILL, Ph.D.
President, Wisconsin State
College, Superior

NIKITA KHRUSHCHEV is in a long, slow burn over the United Nations being located in the United States. He would move it, preferably to Moscow but will settle for Geneva, Switzerland, the historic, diplomatic rendezvous of the Old World.

Had someone else sprung the proposition three years ago, thousands of Americans would have agreed. When the U.N. was founded, many thought it should remain at its birthplace, San Francisco.

The distance from the influence and pressures of the East Coast and Washington would be good for the infant's health, they argued. Moreover, the San Francisco citizens liked the idea.

FRANKLIN D. ROOSEVELT, during his twilight months, may have thought some sort of insulation against pressures and undue local influence was desirable. He suggested the Azores islands, far out in the Atlantic from the Portuguese coast.

Nine or ten years ago, I made a speech on the U.N. During the lively discussion period that followed, two front seat customers began arguing over the merits of New York versus Geneva.

The elder of the two was apparently an idealistic disciple of Woodrow Wilson. To him the U.N. was just a continuation of his beloved League of Nations. Back to Geneva it should go as Chapter II of the great Wilsonian dream.

His opponent snapped back with an indictment of the unfortunate League. When he ran out of breath, but with them still glaring at one another, the chairman passed the buck to me, as the alleged expert on the subject.

LARGELY to keep from agreeing with either and to spread forensic oil on the troubled, verbal waters, I orally thought Bermuda was the logical and best location. Now, when one is in the role of the from-out-of-town expert, he must give reasons. Whether they are good or bad makes little difference, but reasons one must give. I solemnly ticked them off one by one as they came to mind:

(1) Bermuda climate is pleasant. (2) There are many large and luxurious hotels. (3) It is near America but not a part of the United States. (4) The insular location and light traffic make security simple. (5) There are few theaters and no Broadway night life to distract the statesmen. (6) Bermuda is the communication center of the Atlantic. (7) There could be no mob intimidation such as Paris created for the French Revolution.

I improvised several other reasons just for trading stock, but before I had gone as far as the above, I had the feeling that

comes to one when an audience is buying an idea. Even the two front seat customers were nodding their heads in agreement.

In fact, before I had finished listing the points in favor of Bermuda, somewhat to my surprise, I had bought the idea myself!

BUT NOW that Nikita Khrushchev has assembled his wrecking crew in Manhattan and has been chiseling at the foundations of the U.N., it would be most difficult for anyone to sell any American audience, large or small, on the idea that the U.N. should be moved.

Khrushchev has given the American people full reason to distrust his motives. His proposal to move the U.N. is not to improve it but to wreck it or divert it into an instrument for Communist imperialism. There were Americans who had such little confidence in the U.N. they would have been willing to see it wrecked.

Now no one will accept Khrushchev as the wrecking master. The recent apparent solidarity suggests the U.N. is stronger than ever. But if we are honest with ourselves, we must admit it has serious defects that can boomerang in the future if we defend them now.

THE BASIS for national representation in the General Assembly is clearly wrong and indefensible. That Russia should have six votes and all other nations be restricted to one is clearly wrong.

Perhaps the quickest way to remedy this situation would be for the United States to recognize as foreign nations the Cherokees, and other Indian tribes that have or have had treaties with the U. S. and for them demand additional seats. Such would be as logical as the extra five that Russia has.

El Salvador, with an area less than Vermont and a jungle population, many of whom can not read, should not be allowed the same representation as the hundreds of millions in gigantic India.

The U.N. charter contains provisions for amendments. See Articles 108 and 109. Space does not permit their digest here, but most political scientists consider the procedure impractical to the point of being impossible, barring most unusual circumstances.

It could be that Khrushchev and his clique are creating the circumstances. In that case the West will have to control the votes of seven nations in the 11-nation Security Council, and about 66 of approximately 100 nations in the General Assembly. Could the West deliver that many votes?

KILLED IN ARGUMENT
CHESTER, Pa. (AP)—An argument over a \$2 debt has resulted in the fatal shooting of Robert Brown, 45, of Chester, police report.

Police Sunday arrested Thomas A. Gardner, 58, also of Chester, on a homicide charge.

The two men met in a cafe Saturday night and quarreled over a \$2 debt Brown reportedly owed Gardner, police said. Gardner was quoted as saying Brown threatened him with a knife.

Both men are Negroes.

Reporter Says Kennedy Has Pulled Almost Even With Richard M. Nixon

By FRED S. HOFFMAN
WASHINGTON (AP)—Democrat John F. Kennedy apparently has pulled almost even with Republican Richard M. Nixon as they spring toward the finish in their hectic race for the presidency.

But a new Associated Press survey indicates that—with election day only three weeks ahead—neither candidate has been able to grasp a clear advantage in 17 states numbering nearly half of the 536 electoral votes.

It is among this undecided group that the winner likely will be decided. He will need 269 electoral votes.

MAY GAIN EDGE

This latest AP checkover of the political situation in all 50 states gave some evidence that Sen. Kennedy might be gaining an edge in some of the big doubtful

states—like New York (45), Pennsylvania (32), California (32), and Michigan (20).

At the same time, some of the states in this group seemed to be tending toward Vice President Nixon—Minnesota (11), Utah (4) and New Mexico (4).

And in a number of states credited either to Kennedy or Nixon, it was possible the balance might tip the other way before voting time.

SURVEY RESULTS

The survey indicates: Nixon is ahead in 19 states with 141 electoral votes. Kennedy is credited with the lead in 14 states with 129 electoral votes. In a few Southern states, a scattering of Democratic electors might not vote for Kennedy even if he won their states.

The 17 states rated as tossups

account for 267 electoral votes—close to enough to elect a president by themselves.

In the previous survey two weeks ago, Nixon was regarded as out front in 22 states with 161 electoral votes; Kennedy as leading in 14 states with 123 votes. And 14 states with 253 votes were listed as in doubt.

Thus, the indication is that Nixon has dropped by three states and 20 electoral votes. Kennedy has the same number of states as the last time—14—but has added 6 votes. And the doubtful group has grown by three states.

IN TOSSUP CLASS

Kentucky (10), Colorado (6) and Arizona (4) moved from the Nixon column into the tossup class. Louisiana (10) went from the doubtful group into Kennedy's column. And Montana (4), rated last time as for Kennedy, slipped into the doubtful category.

Other tossup states: Ohio (25), Texas (24), North Carolina (14), Missouri (13), Tennessee (11) and Mississippi (8).

As before, the new AP survey combined the observations of its own veteran political reporters, the judgments of seasoned newspaper analysts, the opinions of political leaders and the results of certain reliable polls.

The material was gathered during the past week and might not reflect the full impact of the growing dispute between Kennedy and Nixon over the offshore Chinese islands of Quemoy and Matsu.

REFLECTS DEBATES

However, it does reflect some effects of the first two Nixon-Kennedy TV debates.

In Washington state (9) and Wisconsin (12), for example, some observers felt Nixon might have gained on Kennedy in the second face-to-face test. On the other hand, Kennedy seems to have benefited in Colorado (6) and Wyoming (3).

The religious issue continues to be an unknown quantity. From some states, there are reports it is slackening off. From others, the word is that Kennedy's Roman Catholic religion is hurting his chances.

In the past two weeks, Kennedy's prospects have looked rosier in some of the Southern states that had looked shaky or worse for him.

The AP survey indicates these

2 More Americans Killed By Firing Squad In Cuba

By ROBERT BERRELLEZ
HAVANA (AP)—A Cuban firing squad Sunday executed two more Americans from the small invasion force that Fidel Castro charged was part of a U.S. plot to provoke an incident at Guantanamo Naval Base.

The prime minister directly linked the 27-man expeditionary force that landed on Cuba's north-east coast Oct. 15 with mounting tension over the big naval base the United States holds on the island by treaty.

Castro said on television that the small band intended to create the pretext for U.S. intervention in Cuba by trying to form a "zone of operations and zone of perturbation" near the base.

WANTED AN INCIDENT

The United States formally charged before the United Nations last Friday that Castro himself appeared bent on provoking an incident over the base.

Firing squad bullets just before dawn cut down a Louisiana adventurer and a former U.S. Marine seeking to avenge the Castro government's seizure of his father's Cuban plantation.

ANOTHER AMERICAN

The two Americans were: Allan Dale Thompson, 36, a native of Queen City, Tex., who grew up in Mooringsport, La., and worked in fishing camps in that area.

Robert O. Fuller, 25, whose father moved to Miami, Fla., after confiscation of his property in Cuba.

Another American who landed with them, Anthony Zarba, 27, of Somerville, Mass., was executed with seven Cuban insurgents at the same firing range in San Juan Valley last Thursday.

A fourth American, Leslie Bradley, formerly of Minneapolis, learns his fate today when a military tribunal hands down its verdict after a two-day trial. Bradley and 12 others were charged with plotting a fake invasion of Nicaragua from Cuba to embarrass Castro. The Cuban Prime Minister said the plot was with U.S. State Department cooperation. Bradley faces a 16 years prison term if convicted. The others on trial with him are a Dominican, a Nicaraguan and 10 Cubans.

PREDICT MORE INVASIONS

A prediction of more invasions against the Castro regime came from Fuller's grieving father, William, in Miami, Fla.

"There'll be other expeditions," Fuller told newsmen. Some may fail, but sooner or later the Castro regime may fall.

The younger Fuller, who served with the U.S. Marine in Korea, testified at his trial in Santiago that peasants had aided the invaders.

Las Vegas Odds Shift To Kennedy

LAS VEGAS, Nev. (AP)—The Las Vegas odds on the presidential election have shifted in favor of Sen. John F. Kennedy.

Republican Vice President Richard M. Nixon was an 8-to-5 to 9-to-5 favorite right after the national convention, but the odds later were 7-to-5.

Saturday they changed again, and this time Kennedy emerged the favorite. The general price was 6-to-5 but one establishment made Kennedy at 7-to-5 favorite.

The court rejected appeals for clemency for Thompson and Fuller, contending that the Americans and the Cubans should get equal treatment.

Castro disclosed that one of his former cabinet members, Manolo Ray, was "one of the little leaders of the counter-revolution." Ray, a bomb expert who fought with Castro against the regime of Fulgencio Batista, was replaced as public works minister late last year by left-winger Osmani Cienfuegos.

Castro admitted concern, however, about the allegiance of the Cuban navy. He threatened to dissolve the force unless it shapes up in thorough revolutionary fashion. He disclosed two big naval installations in Havana and Cienfuegos had been deactivated, along with several warships.

Cigarettes Stop Disorder In Mouth

SAN FRANCISCO (AP)—A disorder which appeared in four patients after they stopped smoking cigarettes vanished dramatically when they took up the habit again, says a medical journal.

These strange cases were reported by Dr. Ralph Bookman, of Beverly Hills, in an article in California Medicine, official journal of the California Medical Association.

Public School Bible Is Being Prepared

NEW YORK (AP)—A "common Bible" is now being worked out by a team of Protestant, Catholic and Jewish scholars, for use as a reader in public schools. Details of the plan were disclosed in an article prepared for the October 22 issue of the Catholic publication "America," by the Rev. Walter M. Abbott, S.J., associate editor of the magazine.

He said the joint translation, based on "modern philological studies," will come out in 30 paperback volumes to be released between January, 1962, and 1966. Doubleday and Co. will publish the work.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special)—For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain—without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®.

At all drug counters.
